FIELD TRIP PERMISSION SLIP

Date: Wednesday, October 14, 2026

Dear Parents/Guardians:

Educational trips serve to assist the students with their class work and make connections to the real world. An educational field trip has been planned for:

Date: Wednesday, January 20, 2027

Destination: Liberty Science Center ~ Jersey City, NJ

Departure Time: 9:00 a.m. (approximately)

Return Time: 4:30 p.m. (approximately)

Supervisors: Lincoln Park Middle School Faculty

Cost: $ 80 (payschoolscentral.com **preferred**; check made payable to LPMS; or exact cash marked with student's name)

This is an estimated cost to cover the program and transportation. No additional monies will be collected for this trip, but if additional funds remain after the trip, those funds will be used to defray the cost of future trips for this class only. The cost of this trip was adjusted using funds from previous field trips.

Miscellaneous Information:

- Students will participate in a small group, highly interactive workshop, as well as visit the largest planetarium in the Western Hemisphere to learn about moon phases, reason for the seasons, tour the universe, and more! They will also explore the many interactive exhibits and engineering challenges during their visit.
- Students **must** wear comfortable clothing and **sneakers**.
- Students may bring additional money to make purchases in the gift shop, but they are responsible for their money and items purchased.
- Students are to bring a "brown bag" lunch with all disposable items/containers. Please refrain from peanut butter products due to allergies. No glass items may be sent. Please clearly mark the bag with your child's name.

- LPMS, the bus company, LSC, etc. will not be held responsible for lost/damaged items such as cell phones and souvenirs.

All students must observe and maintain good conduct as is outlined in the Student Handbook.
